Does Preservation Matter to You?

What is your favorite place in Wichita County?

What would you love to preserve for future generations?

Here is your chance to let everyone know!

#WichitaPreservationMatters

As part of this year's Wichita County Heritage Society Preservation Awards, we are proudly introducing a new award: #WichitaPreservationMatters. Nominations are solely made by the Wichita County Community. Take the #WichitaPreservationMatters logo, wave a flag, make a poster, send smoke signals, here is your chance to be creative!

Take a picture (selfies work, too!) at the place that matters most to you. Tag us publicly on Facebook at www.facebook.com/WichitaCountyHeritage/ using #WichitaPreservationMatters. Give us a short description of why this location matters to you and why it should matter to all of us to preserve it for the future.

We are taking nominations starting today, through Sunday, April 23rd at 11:59 p.m.

Five finalists will be chosen and voting will be through our Facebook page, May 1st - 5th.

The winner will be announced on Thursday, May 11th, at our annual Preservation Awards & Volunteer Recognition Dinner at the Kemp Center for the Arts.

Additional information available on our Facebook page at www.facebook.com/WichitaCountyHeritage/ or our webpage at wichita-heritage.org

This program is made possible by
The Wichita Falls Alliance for Arts & Culture and the City of Wichita Falls.
