

A GOOD MUSEUM REQUIRES GREAT SUPPORT!

Be a part of the inner workings of the Kell House!

DOCENTS:

Meet people from around the world and share your love of history and our community! Docents are the face of the Museum, guiding tours through the Kell House. New docent training is offered annually, or you can learn on-the-job anytime.

HOSTS/HOSTESSES:

Love history but not comfortable talking to strangers? Curious about becoming a docent, but want time to become familiar with the stories we share? Consider becoming a Kell House host or hostess! Greet visitors and make them feel welcome throughout their visit.

COLLECTIONS:

Get up close and personal with our history! Collections volunteers work with the individual pieces that make the Kell House such a treasure! Assess, inventory, photograph, and record the details of each unique object we house and prepare them for display or storage.

SPECIAL EVENTS:

Create memories that will last a lifetime! Volunteer for special events ranging from weddings to Santa House, Fairy Fest to the Fourth of July, educational programs to Haunted Tours!

COMMITTEES:

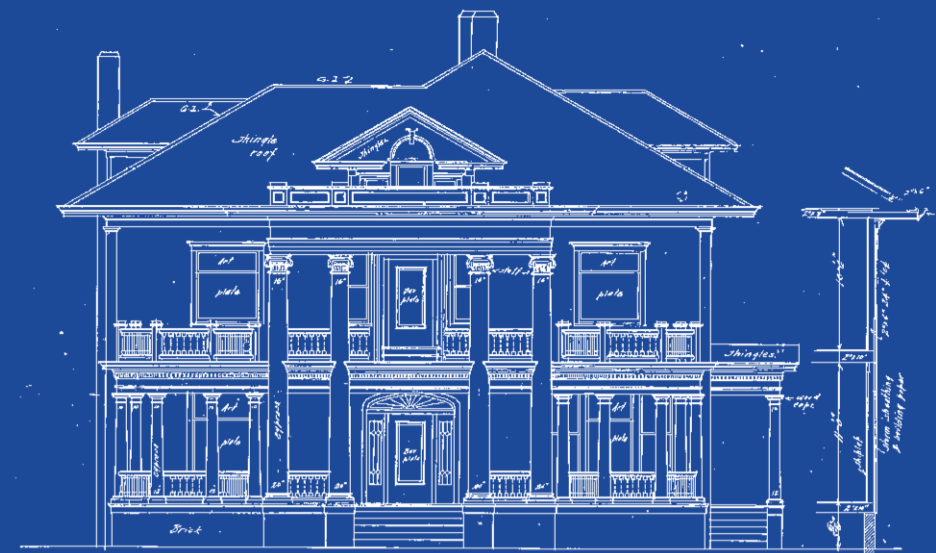

Put your creativity to work! Plan our special events, brainstorm new programs, or take part in the decisions that define the Kell House. The sky is the limit; let your imagination lead the way!
